All staff and community members are still welcome to attend SAC, but moving forward: As a result of our DPS FACE training and in order to be in compliance with district and state statutes, there will be some changes with how SAC meetings will be run:

1. Attendees are only allowed to observe the discussion of the agenda items.
2. The SAC committee will be sticking to the public agenda so this will not be the time for additional questions, comments, or items to be discussed.
3. Parents and staff members are encouraged to reach out to SAC parent or community representatives (Brian, Monica, Alejandra, Ally, Jennifer, Beverly, or Nellie, Gina, & Mollie) with agenda concerns before the meeting in order for parent or/teacher voice to continue being heard. (ILT is creating a Google survey for an additional lanes of communication for all non-SAC related concerns--currently under construction.)
4. Future lanes of communication for all non-SAC related concerns shall be to the staff member directly or to Ms. Butts.
5. For further information on SAC/CVC responsibilities see: <http://thecommons.dpsk12.org/Page/641>
